LEER

BEAUTY. BRAWN. BRAINS.

LEER® fiberglass truck caps are the perfect blend of capability, capacity, and convenience designed to make life easier, more successful, and more fun. With multiple models to choose from — all loaded with standard features and customizable options — LEER offers incredible flexibility to get exactly what you want, including upgraded security, window functionality, and the latest innovations like keyless entry.

- A** Custom Designed for Every RAM Truck Model
- B** Precision Engineered to Fit Your Truck Bed
- C** Contoured Tailgate Overlay
- D** Heavy-duty, Weather-resistant Seals
- E** Tinted, Tempered Automotive Glass Rear Doors and Side Windows
- F** Axalta Automotive Paint for Color Match
- G** Low Resin-filled Fiberglass for Improved Impact Resistance
- H** Reinforced Roof

LEER CAP HEIGHTS

Capacity should never hold you back. LEER offers three cap heights so you never fall short on any challenge. And with our balanced design approach of cargo capacity, fuel-efficiency, low road noise, and stunning aesthetics, LEER truck caps always deliver on both form and function.

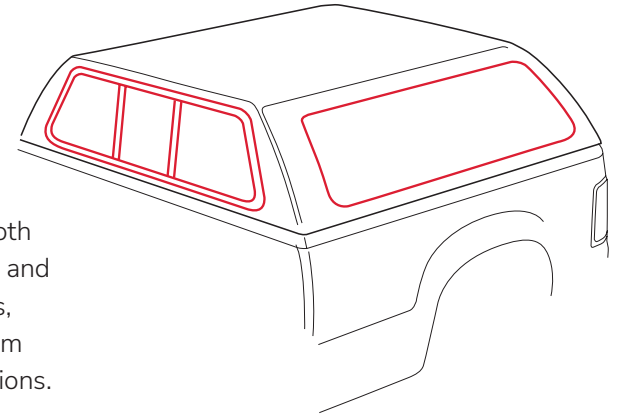

HIGH-RISE up to 40% more storage capacity on LEER 122

MID-RISE up to 15% more storage capacity on LEER 180 Series

CAB-HIGH Consistent height with your truck cab

WINDOWS TO THE WORLD

Windows matter. But not one window is right for everyone, so LEER® gives you many options for both cab and side windows to get the look, ventilation, and utility you're after. From solid windows to tip-outs, sliding to removable, it's your truck cap, and we aim to make it not just meet but exceed your expectations. When choosing your window, see the features & options chart on page 11.

TOOLBOX OPTIONS

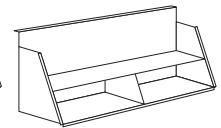

Take your LEER cap to work with these popular toolbox options: available on 100S and 100XR (requires side access doors).

OPTION A

OPTION B

OPTION C

Top off your LEER truck cap with a wide assortment of Thule roof racks and track systems. It's the finishing touch that helps you pile on the possibilities.

THULE TRACKS ONLY
(Works with most track mounted crossbars)

THULE SQUARE LOAD BAR
Roof Rack System

- Steel | 47", 53", 60" | Black
- Price conscious customers will like the basic function. 7" slot for mounting feet.

THULE WING BAR
Evo Roof Rack System

- Aluminum | 47", 53" | Black or silver
- Aluminum crossbar won't rust. Wing shape provides a quieter ride. 7" slot for mounting feet.

THULE PRO BAR
Roof Rack System

- Aluminum | 69", 78" | Black
- Works well with wider trucks but features a mounting slot along the entire length of the crossbar making this style more flexible.

RECREATIONAL TRUCK CAP COMPARISON CHART

- 1 Requires Headliner
- 2 Requires Fuse Box
- 3 Requires Full Cap Headliner
- 4 Not Available with LEER Locker
- 5 Not Available with Toolbox
- 6 Not Available with 2022-2025 Ford Maverick
- 7 Requires Thule Tracks or (8) Cargo Hooks for Install
- 8 100S TC24, FR24, FR25-R, TT22 Specialty Clamps included as Standard

Not all options are available for all models and trucks. LEER maintains the right to add, delete, or change designs and/or suppliers of options when necessary to maintain or improve the overall quality without written notice.

LEER LOCKER™

Organization is key. LEER Locker transforms overhead space into a sliding drawer to make order out of any chaos. Tools, sports equipment, landscaping — you name it.

LEER Locker is the pro's tried, true, and tested storage solution forged to handle the toughest wear, and the most random of requests.

BEDSLIDE®

Your world is now at your fingertips with BEDSLIDE®. This innovative slide system puts everything easily within reach. And with a selection of models with capacities ranging from 1,000 to 2,000 lbs. and options that include multiple bins to organize tools and recreation gear, BEDSLIDE is a proven winner.
